

HOPE TO SEE YOU SOON!

Here you can see the correct answers of the **FOREST DIPLOMA**.

Well done, you have found all the words!  
The book is complete again. Many thanks  
for your help. You have saved my life!

Now I will secretly put back the book of the  
Hollabrunn Forest in its place.

Then I will disappear like lightning into the  
thicket and wait anxiously to see if the Cool Cat  
will notice anything.

Until next time in the forest! Come again soon!

You did a great job and mastered the entire  
route perfectly. Bravo!

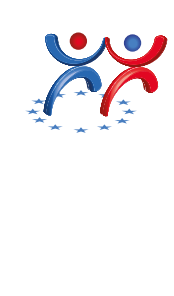

Were you able to solve all the puzzles at the first  
attempt? Were you able to learn anything new?

I hope you can take a lot of knowledge about  
the forest home with you and it helps you to  
understand its importance better. Is it not amazing  
what nature brings about with all its creatures  
and what curiosities it creates?!

Do come and visit us again soon in the  
Hollabrunn Forest. Every time you visit a  
forest, a new adventure is just waiting to  
be experienced.

Here you can see the secret book of the  
**HOLLABRUNN FOREST** which is complete once again.

The adventure trail is a pilot investment of the VISIO project. It is realised within the framework of the INTERREG V-A, SK-AUT programme and co-financed by ERDF.
